KUBASONICS RELEASE NEW ALBUM! WITH UKRAINIAN KOZAK ROCKERS HAYDAMAKY JULY 27

Recreating traditional Ukrainian melodies with a twist, Edmonton's Ukrainian folk-fusion band The Kubasonics celebrate their latest album, *Kubasonics IV: Play*, with a CD release party July 27 at the Edmonton Event Centre (2556 West Edmonton Mall). Tickets are \$35, on sale now at the Ukrainian Bookstore (10215 97 Street), online at www.ticketweb.ca and by calling 1-888-222-6608. The evening features a rare appearance by Ukraine's Carpathian ska band and Kozak rockers, **Haydamaky**.

The Kubasonics rely on a large variety of instruments, including the tsymbaly, drymba, violin and bass, to create their sound, a unique blend of traditional Ukrainian folk, garage rock, ska, pop, punk and polka. Eight of Edmonton's finest musicians contribute to *Kubasonics IV: Play*, including a brass and a percussion section, as well as back-up vocalists.
